

God's House

God's house is a very special place,
God's house is a very special place,
Where we learn in love and grow in grace,
God's house is a very special place.

God's house is a very holy place,
God's house is a very holy place,
Where we hear His Word and sing His praise,
God's house is a very holy place.

God's house is a very joyful place,
God's house is a very joyful place,
Where we share His peace, together face-to-face,
God's house is a very joyful place.

God's house is a very special place,
God's house is a very special place,
Where we learn in love and grow in grace,
God's house is a very special place.
